WHOLESALE MARKETS.
CHRONICLE OFFICE.
KNOXVILLE, TENN., Nov. 13, 1876.
Farmers seem to have taken advantage of the delightful weather and each day during the past week Market Square was thoroughly jammed with country wagons loaded with various kinds of produce.
Wheat continues at former figures. So far there has been only a local demand for corn and of course there has been very little change here.
Dried apples have declined and 3c per pound now seems the highest price.
